

## Finance Council Minutes January 9<sup>th</sup>, 2018

Candy Wilson and Richard Campbell were excused.

1. The bids for the roof are due on January 22, 2018 and the finance council will take action at their meeting on February 6, 2018.
2. The council received a report on igivecatholic. Obviously we are very pleased with the outcome as of today we have received \$12,621.80. Of this, we received a special gift of \$10,000 from a diocesan donor.
3. The council discussed whether we should report in the bulletin the special assessments from the Archdiocese as we do the Leaven. They decided not to report those other assessments in the bulletin.
4. The council asked Angie to recheck the number of bulletins we need. Fr. Mike will convey that message to her.
5. The council approved the pamphlets for Lent to the amount of \$265.
6. There was a question concerning the sound in the church, with some people complaining that it was difficult to hear. The council asked Fr. Mike to have Angie call Cyteck and perhaps "tweak" the sound.
7. The council studied the budget and feel that everything is as it should be at the present time.

Respectfully submitted by Fr. Mike Scully
