St. Theresa's Meeting

Attendance: LaDonna Ballock, Terri Long, Cheryl DeVillier

April 21st Saturday is first communion mass. We have 19 students. Will decorate and get cakes and punch.

Basket Raffle was April 15th Sunday after mass. Proceeds raised were \$507.60. We talked about parishioners asking what date the raffle would take place. Some baskets were brought in late and we kept extending the time between so the parish could buy tickets for those baskets.

The end of year CCD picnic will be handled by the CCD staff.

Holy Family received information pertaining to the use of parish facilities.

We talked about previous events where we have had problems with children going thru the food lines without supervision from parents. We may have to start serving all food. Might go back to serving the elderly first.

The last St Theresa's meeting was January 10th. February meeting was cancelled due to Ash Wednesday and March meeting was during spring break.

In the past we have had a meeting at Gambino's and had pizza. We might revisit that.

Holy Family will have the CPA Picnic food stand again in 2019.

Graduation reception is May 6th for graduating seniors. Cookies and coffee after mass.

St Theresa's does not meet in May due to the CCD picnic. Our next meeting will be the second Wednesday in September which is September 12th, 6pm.
